

Packages & Pricing

Skin Consultation & Analysis (redeemable)

A detailed consultation supported by advanced skin analysis technology. Designed to understand your skin properly before recommending any treatment.

£25

Hydro-o2-Facial (14 step, up to 60mins)

A multi-step hydro-dermabrasion facial focusing on deep cleansing, hydration and skin balance. Protocols are adapted based on your skin's needs.

£125

Microneedling

A collagen-stimulating treatment to support skin repair, texture refinement and long-term skin quality. Best suited following consultation.

£150

Chemical Peels

Controlled exfoliation using modern peel formulations to improve tone, clarity and congestion while respecting the skin barrier.

£125

HIFU Treatment

Non-surgical ultrasound treatment designed to support skin tightening and firmness. Treatment areas and protocols are discussed individually.

£199-£1050

Skin Blemish Removal

Removal of selected benign skin blemishes following assessment. Pricing is based on size, number and complexity.

from £60

Laser Hair Removal - Face (per session)

£40-£55

Laser Hair Removal - Body (per session)

£75-150

Laser Hair Removal Courses

Courses of 6 or 8 sessions are recommended for optimal results. Course pricing offers a 15% discount saving and is confirmed following consultation.
